Keystone Emergency Management Association

Emergency Management Priorities

2011

1. Support the adoption of the revised Title 35/Act 227 to produce the legal basis for emergency management activities in Pennsylvania.
2. Advocate for 911 legislation that encompasses supporting the Pennsylvania Emergency Management Agency (PEMA), the Pennsylvania chapter of the National Emergency Number Association (NENA), and the elected officials.
3. Revision of the Local/County Emergency Management Coordinator (EMC) Certification Program.
4. Further develop a combined effort between PEMA, regional task forces, counties, and municipalities.

Comprehensive. Progressive. Risk-Driven. Integrated. Collaborative. Coordinated. Flexible. Professional.
