

Keystone Emergency Management Association

Awards Committee Chair

2010 AWARD NOMINATION COVERSHEET

This awards coversheet is used for all awards nominations. This coversheet should be supported by a letter of nomination. The supporting narrative information should be written without identifying the nominee name, community location, position or the identity of the person making the nomination. When the nomination is received the coversheet information will be assigned a random number. The same random number will be assigned to the narrative information. The chair is responsible for assigning random numbers. The awards review committee, comprised of a chair along with a representative of each of the three areas, will review all nominations in accordance with the established criteria. After the awards committee has evaluated and voted on the award nominations, the random identification numbers will be used to identify the selected nominee.
