Membership Benefits

- Access to Pennsylvania’s broad network of Emergency Management professionals and subject matter experts capable of providing guidance on a variety of topics.
- Networking opportunities with local, state, and federal officials.
- Access to the annual conference and training summits.
- Voting and nomination privileges—KEMA encourages members to be active in the decision making process.
- Growth & development opportunities: members are offered opportunities to serve on various committees. KEMA fulfills its mission through the work of these committees.
- A bi-annual newsletter, an awards and recognition program, updates on pending legislation, and opportunities to provide input on changes to the state Emergency Management Certification Program.
- Mentoring opportunities, prospective employment opportunities, potential for collaborative partnerships, and numerous other opportunities.

KEMA MISSION

The mission of the Keystone Emergency Management Association (KEMA) is to foster and promote a high degree of capability and competency of the Emergency Management professionals and volunteers in every political subdivision of the Commonwealth by contributing to the common cause of protecting lives and property from both man-made and natural disasters through education, information sharing and encouragement of partnerships with emergency response organizations.

KEMA provides a state-wide forum for the exchange of ideas, techniques, and best practices in the field of Emergency Management. If you are an emergency management professional looking to expand your network by connecting with colleagues, seeking information on the issues concerning your area, or looking to further increase your knowledge of the field, then consider becoming a member of KEMA today!

Visit www.KEMA-PA.org to apply online and to learn how the KEMA network can benefit you and your organization.

Membership is open to all Emergency Management professionals in local, state, or federal government, non-profit or voluntary organizations, private sector, or to any individual interested in gaining an understanding of comprehensive emergency management in the Commonwealth. Interested students and universities are also encouraged to join!

Committees
